

DUMMER PARISH COUNCIL

MINUTES OF THE ANNUAL PARISH MEETING OF DUMMER PARISH held on MONDAY 9th May 2022 at 7.30pm in the VILLAGE HALL, DUMMER

	In Attendance	Apologies	Absent
Cllr. Jones	✓		
Cllr. Mrs Harden	✓		
Cllr. Penny		✓	
Cllr. Dodd	✓		
Cllr. Mrs. M Gazzard	✓		
Cllr. Mrs Harden	✓		
Mrs K Ross- Clerk	✓		

Also In attendance: County Councillor Henderson, Borough Councillors Diane Taylor, and Hannah Golding and 3 members of the public.

1. Introduction and Welcome

Cllr Jones welcomed the residents to the meeting and gave a report on the last year. His report can be found as Appendix A

2. To approve the minutes of the Annual Parish Meeting held on 29th April 2019

The minutes of the Annual Parish Meeting held on 29th April 2019 were signed as a true record of the meeting.

3. To invite reports

Borough Councillor Hannah Golding

Her verbal report was **NOTED**

Borough Councillor Diane Taylor

Her verbal report was **NOTED**.

County Councillor Juliet Henderson

The reports can be found as Appendix B

**4. To receive a Statement on the Parish Council accounts for
Year ending 31 March 2022 by the Clerk to the Parish Council**

The Accounts can be found as Appendix C

5. To invite the public to raise any matters of interest.

A member of the public advised the meeting that they felt that the Parish Council should be more mindful over objecting to planning applications submitted by young families. The response given was that planning applications are considered on planning policy not who submits the application and that by extending smaller properties this precludes families from moving into the Village due to the cost of the properties.

Julian Jones

9 May 2022

Dummer Parish Council 2020–2021
Councillors

- Barry Dodd
- Manuela Gazzard
- Julian Jones (chairman)
- Derrick Penny
- Sheila Harden
- Karen Ross Clerk

What does the PC do?

- Voice of the community
- Comment on planning and tree apps
- Protect our Conservation Area
- Manage Recreation Ground/play area
- Village Infrastructure – bus shelters; phone box; noticeboards; well house
- Report pot holes & fly tipping
- Communicate with residents – newsletters
- Transport – Stagecoach buses

Carried forward from 2019

- Farleigh anaerobic digester
- Construction of Longacre and the Fairways Island site and Pub – All built
- Hounsme Fields – 750 dwellings – 70 occupied
- Basingstoke Golf Club sale – first 260 under construction
- Motorway Service Area between J6 and J7
- Critical Treatment Hospital – expired

SITES IN DUMMER PARISH

Planning since 2019

- Glebe Close – 17 houses refused • Hounsme Fields
 - First three phases – 96, 143, 365 homes approved
 - Gypsy and traveller pitches
 - Construction access – now closed
 - New roundabout – 3 arms complete

- Basingstoke Golf Club – The Green
 - 260 homes approved
 - Temporary Sales Office
 - Activity since 2019

- Maintenance of the recreation ground
 - Play area
 - Tennis courts

- Maintenance of the pond area

- Planning dredging of the pond

- Infrastructure planning – sewage, power

- GP Surgery and Dentists

- New noticeboards

- Salt bins for Longacre

Current Issues & Actions

- Oakdown Farm – Gateway Warehouses
- Local Plan update to 2039 – Housing numbers; sites near J7 and Popham
 - Villages with SPB need to build 10 houses
- Upper Swallick development – traffic • Parking at Bible Fields and Glebe Close • Neighbourhood Plan?
 - Community Infrastructure Levy percentage
 - Boundaries

Oakdown Farm

- Three applications
- Outline plans – four warehouses
- Full plan – One warehouse (Amazon?)
- Full plan – three warehouses (1 for Lidl)
- Larger footprint
- Higher plateau but reduced building height
- Oak trees retained
- Landscape, biodiversity, traffic

Hounsme Infrastructure

- Three form entry primary school – where should it be located for best air quality?
- Community centre, shops, sports facilities
- Sewers and surface water drains
- Allotments
- Buses and cycle routes
- Two gypsy and traveller pitches

Basingstoke Golf Course

- Primary school – less pollution?
- Community centre, shops, sports facilities

- Sewers and surface water
- Provision for buses and cycle routes
- Roundabout and secondary access
- Gypsy and traveller pitch
- Noise from A30 and M3
- Trees

Dummer Golf Course

- Sold to Basingstoke club members
- New Club House
- Greenkeeper's building moved
- Driving Range moved
- Remodelled and extended fairways
- Second access
- More signage

Current Issues & Actions cont'd

- Potholes & fly tipping
- Beggarwood surgery
- Anaerobic Digester odour
- Increased electorate – are we representative of new developments?

- Hounsome Fields – 2 gypsy and traveller pitches; 2 amenity buildings with parking

Village vitality

- All Saints
- Village Hall – new committee
- The Queen Inn
- Two golf clubs – becoming members club
- Monthly coffee mornings
- Neighbourhood Watch – new PCSOs
- Cricket pitch next to Dummer House
- Businesses

Thanks to...

- Fellow Parish Councillors
- Parish Clerk – Karen Ross
- Independent auditor – Stafford Napier
- Borough Councillors – Hannah Golding, Diane Taylor and Paul Gaskell
- New County Councillor – Juliet Henderson
- Our MP – Kit Malthouse
- PCSO Andy Jones
- CAGE Committee

Appendix B

Cllr Juliet Henderson Hampshire County Councillor Annual Parish Meeting Report 2022

Facts and Figures Hampshire's population is **1,389,200** (2020) the third most populous county in England (85% is rural and 15% urban). Hampshire CC maintains **5400** miles of roads, **4300** miles pavements, **150,000** streetlights, **474** maintained schools for 138,000 pupils, **52** academy schools for **38,000** pupils, **10** residential homes for children and young people, **18** Older Persons Care Homes, **24** Household Waste Centres and **5** Country Parks. **4.8 million** books, e-books and magazines are loaned each year. The proportion of household waste sent to landfill has decreased since 2011/12 (from 8% to 4%). **96%** of all Hampshire waste is either recycled, reused, composted, or sent for energy recovery. The waste sent to energy recovery produces sufficient energy to power **50,000** homes.

Budget HCC approves £2.4 billion spending on local services in 2022/2023

Plans for the next financial year focus on the county's ongoing work following the pandemic, support for vulnerable children and adults, investment in Hampshire's roads and infrastructure to support economic recovery, as well as climate change mitigation.

The annual council tax charge for a Band D property will be £1,390.86 – an increase of £0.78 per week, equating to 2.99%, of which 1% is for adults' social care. The budget includes £556.2 million of capital expenditure over the next three years to boost jobs, the quality of the environment and to tackle climate change.

The proposed capital programme includes: • £109 million in new and extended school buildings to ensure there is a school place for every child in Hampshire • £136 million for structural maintenance and improvement of roads and bridges in Hampshire over the next three years • £109 million for integrated transport schemes including over £50 million specifically focused on walking and cycling improvements • £95 million for major improvement of school and other County Council buildings and land holdings over the next three years following the £33 million for decarbonisation schemes covering solar PV, single to double glazing window replacements, transition from oil to gas and the implementation of heating controls that took place in 2021-2022

20 MPH Working Group.

HCC's Executive Member, Cllr Rob Humby, has announced a County Wide review 20mph zones, which is being carried out by Members of the Environment, Transport and Economy Select Committee. **"We are encouraging walking and cycling as a Countywide Active Travel Strategy and lower speed limits encourage this."** Cllr Juliet Henderson

Climate Change Hampshire County Council has been taking active steps to ensure Hampshire is resilient to the impacts of a 2% rise in average temperature and in mitigating further changes through carbon reduction measures. HCC's own emissions have reduced by more than 43%, with more than a 50% reduction by 2025 and carbon neutrality by 2050.
